Australian Native Aquatic and Wetland Plants ready for sale in small numbers only atm and only as bare rooted plants, more species will be listed as the growing season continues on, so please enquire about numbers you after for a quote.

Express Postage starts at \$16 and this box holds 500grams, so depending on the number of plants purchased determines the box/es or box size and postage associated costs, should you need large orders then you will need to let us know well in advance via email and we go from there.

Note: we cannot post to WA, NT or TAS due to quarantine restrictions.

(Note: it is up to the purchaser to quarantine stock upon arrival if for fishtank use).
